LUXURY WEDDING PHOTOS

BEHIND THE LENS

MANDA RAZAF'

Hello! My name is Manda.

For the last 10 years, I've had the privilege of documenting weddings the world over - from French historic Château, to exquisite places in Venice, to incredible villas in Como Lake and so many times right here in my own backyard of Alsace, France.

When I am not capturing images for couples around the world, I appreciate moments with my wife and my two lovely daughters: Soavà and Maneva: traveling, going for walks, or engaging in other fun activities with them. I value quality time with my family and cherish every moment we spend together

My litte daughters: Maneva & Soavà

MY APPROACH

My work focuses on the fundamentals, artistic composition, natural light, and great style, but above all in making brides and groom and their guests happy.

I have a multi-layered approach that combines editorial, documentary and fine art styles, my photos are for the modern romantic couple looking for delicate images, stylishly framed and drenched in natural light.

I approach every love story with one goal: to authentically capture the essence of that moment in a timeless, effortless and evocative way.

WARM WORDS

Manda's work is not only wedding photos. It's a universe, a touch of its own, which makes your photos something unique.

Discreet and positively "invisible" throughout the day, it nevertheless finds the right angle at every second of your event to record the emotions of the moment for eternity through a photo.

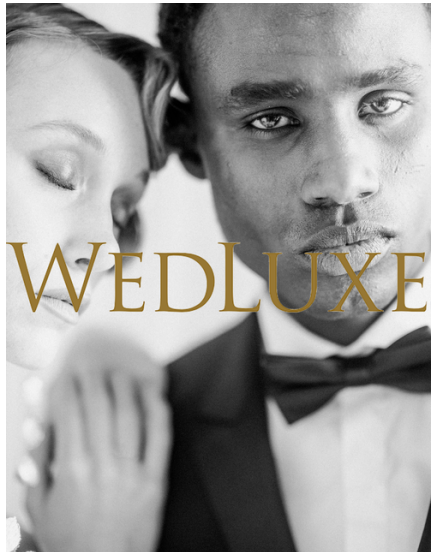

Top notch support and service, punctuated by particularly remarkable flexibility.

Manda does not want to do "his photos", but "your photos".

A big thank you for what you brought to our wedding, not only by your enthusiasm the same day, but just as much by your fabulous shots which will accompany us all our lives!

A group of four women are sitting on a white sofa in a bright, minimalist room. They are all wearing white robes and are clinking champagne glasses, smiling and laughing. The room has white walls and a large window in the background. The overall mood is joyful and celebratory.

A few weeks prior to your elopement, we'll begin crafting a timeline to ensure you have plenty of time to take beautiful portraits, and soak up some alone time. You'll receive your online gallery with 500-600 images within 6-9 weeks of your wedding.
